

Support Kat Varn!

I am dancing in the Lowcountry Dancing with the Stars Oxygen Ball on March 29th!

Along with my fellow celebrity dancers, I will be paired with a professional from International Ballroom who will teach me how to tango, waltz and salsa my way around the dance floor, all in support of lung health. The evening starts with a cocktail hour and silent auction, followed by dinner, a live auction, and the dance competition!

I need your vote!

Every \$10 donation equals a vote for me! The more you donate, the more votes I receive! Ticket purchases also count as votes. Funds raised benefit lung health programs in South Carolina, lung disease research, and healthy air initiatives.
